SERVING WITH A PURPOSE

(SWAP) is El Centro's \$750,000 three-year campaign that began in summer 2014. SWAP is designed to enhance El Centro's financial strength and stability in order to ensure we are able to continue meeting our mission.

As of the annual report date, we have raised over 89% of our campaign goal in a little over two years! The generosity of our Serving With A Purpose donors has enabled us to grow our programs and serve more people in the community.

We are grateful to all the supporters who have contributed so far and look forward to reaching our goal over the coming year!
