# ENERGY AUDIT

Lower your utility bills, identify hidden problems and benefit the environment.

A one-time BPU Energy Audit can potentially save you hundreds. It's a \$500 value, yours for only \$50.\* Just call 913.573.9997 or email us at [EnergyAudit@bpu.com](mailto:EnergyAudit@bpu.com) and set your appointment with one of our *Home Energy Audit Program* Certified Energy Auditors. They'll come to your home for an on-site energy audit, which includes:

- Blower door tests to identify costly air leakages
- Combustible Appliance Zone Test (CAZ)
- Up to 10 free compact fluorescent light bulbs
- Recommendations for energy efficiency improvements
- Development of an *Energy Conservation Plan (ECP)*

## Get more energy efficient: Get a refund.

If you make the improvements recommended during your Energy Audit within 90 days, BPU will refund your \$50 appointment fee when you provide a Certificate of Project Completion. You'll get your money back on top of all your other potential savings.
